Title of Internship

Grain Cooperative Marketing and Operational Internship

Dates

June 15 – August 1, 2016- Approximate dates, subject to change.

Available Positions

One qualified individual upon submittal of application, references and approval by the board of directors.

Location

Main office in Odem, TX. Other locations to be included are the grain facilities in Gregory, Taft, Sinton, Edroy and Robstown, TX.

Full or Part Time

It is our expectation that this will be a Full Time position for the duration of the harvest. However I would expect there to be some Part Time hours during periods of slow-down and rain-outs.

Company Description

Planters Grain Cooperative is a farmer owned grain and fuel business establishes in 1946 in Odem, TX. In recent years the company has expanded to include almost 9 million bushels of grain storage across San Patricio County. See attached maps. The internship duties will include both administrative and operational duties concerning the harvest of corn wheat and milo in the South Texas region. Sorghum harvest in the gulf coast will typically begin in late June/Early July and end with Corn in late July/August. The harvest is extremely fast paced and very tense. Our producers are typically in a race against mother
nature to get the crop harvested. Tropical Storms are a reality and possibility every year as Hurricane season begins in June and peaks in the first week of September.

**Job Requirements**

- Prepare the Daily Position Report and Hedge report.
- Review inbound tickets each morning and identify mistakes.
- Contact producers about mistakes on tickets and farm numbers.
- Contact producers about general harvest progress.
- Manage all of the summer scale help, including daily work scheduling and hiring/firing process.
- Troubleshoot scale problems throughout harvest.
- Visit locations on a daily basis to oversee production.
- Occasional duties may include operating the unload pits and grain conveyance. (bring appropriate clothes and steel toed boots.)
- Be prepared to troubleshoot any problems onsite as requested by the General Manager, Accounting Staff, or Operations Manager.
- Work hard—Have fun. It’s harvest.

Interested candidates may submit their letter of interest and resume to Planter’s Grain Cooperative P.O. Box 300 Odem, TX 78370. Or email it to brian@planterscoop.com
