Are you obsessed with Technology & Agriculture? Do you care about agriculture development when it comes to apply clean technology to increase yields and maintain a worldwide sustainable production process? Strider AgTech is the right opportunity for you. Strider AgTech is committed on changing how the world discovers and promotes those technologies. We are helping farmers in North and Latin America by offering them a decision-making tool which is guaranteed to reduce pesticide and water usage.

Strider has a fast paced work environment and we seek talented employees who crave learning new skills and aren’t afraid to tackle big projects. As an intern you will get to work with a variety of our executive staff and will work on real projects that will help us grow.

Our ideal candidate is someone who walks into a room of people and can’t leave without making a few friends. Someone who is devoted to the farming lifestyle and is creative and thoughtful when interacting with rural communities, building relationships, and prospecting new sales leads.

**What You Will Learn:**
- Assist Agronomy Production Sales Specialists with crop scouting and field agronomic problem solving.
- Use integrated pest management techniques to determine treatment thresholds.
- Learn the features and benefits of all agronomy products and services, assist with over-the-counter sales, and promote product delivery to customers.
- Learn how to maintain equipment and facility.
- Custom Application if qualified and/or if the need arises.
- Assist other departments as needed

**What We Require:**
- B.S. in any agriculture related field. M.S. or MAB (Master of Agribusiness) is preferred.
- The skill set to communicate verbally with farmers in US.
- Highly organized, with an ability to prioritize time-sensitive assignments.
- Fearless – not afraid to be a bold and outside the box thinker.
- Availability to live & work in Brazil for 02 months – Belo Horizonte, Minas Gerais.
- Passion for farming, and a general excitement to learn new skills and ideas.

If this sounds interesting we want to hear from you.
To apply please submit your resume, cover letter and portfolio to Strider – contato@strider.ag. Round trip tickets and accommodation are all included. The position begins May 1st and ends July 31st.
