

Senate Agriculture Committee Internship

Internship opportunity with the U.S. Senate Agriculture Committee. The **deadline is this Friday**. This internship is not on handshake. Students who are interested should visit the link below to apply.

Senate Agriculture Committee Internship Details

U.S. Senator and Committee on Agriculture, Nutrition, and Forestry Chairman, Pat Roberts, seeks interns for the summer semester in his Washington, D.C. Committee office. The internship dates are flexible and includes a monthly stipend. Successful candidates have a strong academic record and a demonstrated interest in agriculture. Interns will research legislation, attend briefings and hearings, answer phones, and provide support to the Committee staff. For more information and to apply, please visit:

<https://www.agriculture.senate.gov/about/internships>.

Thank you!
